

# ACerS CORPORATE PARTNERS

## YOUR CONNECTION TO THE WORLDWIDE CERAMIC AND GLASS COMMUNITY

ACerS Corporate Partnerships offer your company global exposure to ceramic and glass professionals, technical resources, talent recruitment, and professional development opportunities while supporting your industry and ACerS, the leading professional society for ceramic and glass professionals.

### ABOUT THE AMERICAN CERAMIC SOCIETY

The American Ceramic Society is a non-profit, professional society advancing the study, understanding, and use of ceramic and glass materials for the benefit of our members and society. Founded in 1898, ACerS has over 10,000 members from more than 70 countries, including scientists, researchers, engineers, manufacturers, educators, and marketing professionals. ACerS is the hub of the global ceramics community and a trusted source of ceramic and glass materials knowledge.

### WHO SHOULD BE AN ACERS CORPORATE PARTNER?

Any company involved in providing materials, products, or services designed for use with technical ceramics and glass, including suppliers, manufacturers, service providers, consultants, and end users.

### WHY BECOME A CORPORATE PARTNER OF THE AMERICAN CERAMIC SOCIETY?

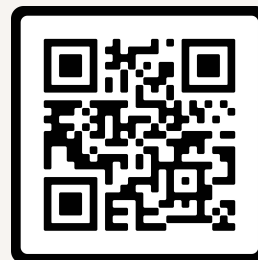

The ACerS Corporate Partnership program is designed for companies of all sizes who wish to grow their business through networking and exposure to ceramics and glass professionals worldwide, engage with the Society, and support their industry. In addition to excellent visibility in the marketplace, you gain access to a wide array of technical resources, professional development, and recruitment opportunities for you and your employees.

Corporate Partnership features specific benefits in two primary areas: Marketing/Advertising Benefits and Individual/Employee Benefits. Corporate Partners may choose from one of three membership levels that best fit their desired level of engagement and visibility. Join today and become a part of the ACerS community of corporate leaders.

*We like the discounted rates on the expos, and the exposure is even better now because of the Corporate Partnership program. It's perfect for building awareness and letting customers know that we support the Society.*
