

THE AMERICAN CERAMIC SOCIETY
Cements Division

Connect with your industry.

WHO IS THE CEMENTS DIVISION?

As one of 11 divisions of The American Ceramic Society, we advance the fundamental materials science of cement, with an emphasis on nano- to micro-scale research and develop new technologies for concrete.

WHAT'S IN IT FOR YOU

- Connecting with industry professionals
- Meetings, symposia, and related events to stay current
- Access to member resources and industry publications
- Leadership development opportunities
- Awards and recognition
- Access to peer-reviewed journals
 - › **Journal of The American Ceramic Society**
 - › **International Journal of Applied Ceramic Technology**
 - › **International Journal of Applied Glass Science**
 - › **International Journal of Ceramic Engineering & Science**

... HELPS YOU EXPAND YOUR NETWORK IN YOUR INDUSTRY

Flagship meeting

ADVANCES IN CEMENT-BASED MATERIALS MEETING

- Science-based meeting focused on the world's most-used construction material
- Unique event for cement chemists
- Research showcased in presentations and poster sessions
- Network with professionals from academia, industry, and research labs

WATCH THE VIDEO

bit.ly/ACerSstories

GIVING BACK

- Student outreach and travel support
- Leadership and committee positions

PEER RECOGNITION

- Brunauer Best Paper Award
- Early Career Award
- Della Roy Lecture and Award

BUT DON'T TAKE OUR WORD, LISTEN TO WHAT OUR MEMBERS ARE SAYING:

"This conference is one of the only places cement chemists can go and present their research and really be understood by other researchers. The experimentalists, theoreticians, and modelers all have a chance to communicate with each other."

– Lisa B
